CAPO 3: PLAY IN G

```
 C        G            C           G
Every breath, each life, each spark
 C       Em           D           C       G
Every light that emerges from every dark
         C         G         C     G
This body, this voice, this energy
 C       Em          D           C         G
I just opened my eyes it was granted to me.

   D/F#          Em         C            G
Given - this space, given - this time
   D/F#      Em   C              G
Given to all-   uniquely mine

 C        G          C     G
Every first and every last
 C          Em           D          C         G
All of the future, the present, and even the past
 C       G        C         G
I am a wave, a rise and a fall
    C         Em          D         C         G
A singular drop in the ocean connected to all

   D/F#          Em         C            G
Given - this space, given - this time
   D/F#      Em   C              G
Given to all-   uniquely mine
   D/F#          Em         C            G
Given - this space, given - this time
   D/F#      Em   C              G
Given to all-   uniquely mine

```
     C          G              C          G
There is a love song of taking and giving
     C          Em           D          C          G
A singing and dancing in rhythm with all that is living
         C       G        C      G
It's breathing out and breathing in
     C          Em           D        C          G
A life that is taken and granted again and again

   D/F#         Em       C           G
Given - this space, given - this time
   D/F#     Em   C              G
Given to all-   uniquely mine
   D/F#         Em       C           G
Given - this space, given - this time
   D/F#     Em   C              G
Given to all-   uniquely mine
